REPORT OF THE ACTIVITIES MISSION
GROUP FROM ILLINOIS

DATE: September 6 to 12

PIJAL, SATURDAY, SEPTEMBER 6

Visit to the community of Pijal (Otavalo)
Roseanne and her group could see the daycare center finished.

We had very good memories some women from the daycare, some parents and children were there to say thanks for helping them for supporting this daycare.

Elvia, the coordinator of the daycare showed the rooms. Encarnación, who is one of the leaders from the community, visibly moved thanked Roseanne for the support received.

She also extended her thanks to Fedice, because through this organization it has been possible to channel this help.

Roseanne delivered several things that brought to the center: Clothing for children, vitamins, shoes, toys, etc.

ROMERILLOS

On Monday, September 8, in the afternoon we arrived at the children's center in Romerillos, where the children of the center, the mothers who work there, some parents and family mothers waited with great emotion.

After the words of welcome, greetings from those present, the children delighted us with children's songs.

For most people it was the first time they met Roseanne, part of her family and the friends who visited us, so after the respective presentations they expressed their gratitude for all the help received

Later, the activities for the week were planned, the support in the construction, the work with the children of the center, the delivery of several things that our friends from Illinois brought and finally visits to the productions.
Tuesday September 9, 2014.

Visit the Children's Center to work with the teacher and 2 mothers in construction.

The activity was to sift sand and pass so that the teacher proceed to plastering the ceilings and walls.

Once the sand was sifted, it had to be taken to the second floor to make the mixture.

Sand and cement are mixed to plastering the lying down, an activity carried out by the mothers of the family and the teacher.
